

# Down Payment Assistance

For Households impacted by 2018 California Wildfires

up to **\$350,000**

## ReCover CA Homebuyer Assistance

The ReCoverCA Homebuyer Assistance (DR-HBA) Program provides up to \$350,000 in down payment and closing cost assistance to Low-to-moderate Income households (homeowners or renters) who were living in high or very high fire severity zones during the 2018 wildfire disasters in California. The goal is to help individuals and families to relocate and purchase a home in California in less fire risk areas.

The Program is designed to cover the gap of affordability between what the applicant could afford in a First Mortgage Loan and a property's purchase price. The direct assistance is in the form of a Second Mortgage Loan, forgiven after five years maintaining ownership and occupancy.

### Applicant Eligibility

- Household income limits must meet HUD's requirements for Low-to-moderate Income (At or below 80% of HUD Area Median Income).
- Credit Score of 640 or higher.
- Max Debt-to-Income ratio 45%.
- Must complete an 8-hr Online Homebuyer Education course.
- Must purchase outside High or Very High Fire Severity Zones.
