Property is More than Forty Five Years Old.

Undertakings affecting properties forty five (45) years or older at the time the work takes place; provided it has not been determined to be eligible under National Register Criterion Consideration G for exceptional significance (36 CFR 60.4).

If the property is 45 years or older and it has been determined that it is not eligible for the National Register then answer the questions below, solely based on the work that is to be performed by the ARP support SGIP-ERB work.

Yes	No	
<input type="checkbox"/>	<input type="checkbox"/>	Installation of Windows and Doors
<input type="checkbox"/>	<input type="checkbox"/>	Installation of Cool Roof or work on roofing
<input type="checkbox"/>	<input type="checkbox"/>	Installation of solar panels visible from public right of way.
<input type="checkbox"/>	<input type="checkbox"/>	Landscape irrigation
<input type="checkbox"/>	<input type="checkbox"/>	Work involves disturbance to or breaking of ground.

If all the questions above are marked as "NO", then you may be allowed to perform the ARP supported SGIP-ERB work. If any of the questions above have been marked as "Yes" then you are required to put a CEC / SHPO package together. Please contact GSFA Customer Support for additional information
